

A Message to Potential Volunteers

Being a volunteer is a serious responsibility. Volunteers are absolutely crucial to Wasteland Weekend operations and are the backbone of the event. Without volunteers, Wasteland Weekend could simply not survive and provide the kind of excellent, organized experience that attendees have come to expect.

We will do everything in our power to create a fun and rewarding work environment. Volunteers get free admission, water and snacks during their shifts, a Wednesday night set-up party, and every volunteer gets an exclusive staff t-shirt.

Who We're Looking For

We are looking for dedicated, reliable people who are excited and passionate about getting involved in the largest post-apocalyptic gathering in the world - not for folks who are simply out to get free admission. (Perhaps the idea of having something productive and important to do, that will also help you meet your fellow wastelanders, sounds a lot better than the possibility of just hanging out all weekend.) If you'd like to be a part of the inside team that makes Wasteland Weekend happen, then please apply for a volunteer position today.

Tickets Refunded for Clean-up Crew

Volunteers whose positions will take effect on Sunday or later, may be required to purchase a ticket and then be refunded after the event is over and all clean-up and storage has been completed (which may take at least 3 days). This is to create an extra incentive for clean-up crew volunteers to stay past Sunday morning.

Meetings

If you live in CA, NV, or AZ, volunteer meetings may occur in your area. While it will not be required to attend these meetings, they will be a good way to familiarize yourself with the event and get a head start on meeting your fellow volunteers.

No-Shows

No-shows and last-minute cancellations are unacceptable and create major problems for us, and take a heavy toll on the volunteers who do show up (who are then forced to work long hours of overtime to compensate). Make sure you have reliable transportation options! The following are serious violations of our trust and will bar us from considering you for a volunteer position in the future:

- Not showing up for your scheduled shift (no-show, showing up late, etc)
- Unsatisfactory performance of your duties (laziness, drama, intoxication, etc)
- Cancelling within 14 days of the event (on or after Sep 13th)

Please make sure you are a responsible person who will work hard and put in your hours. We need to be able to count on you! Otherwise, [buy a ticket and just enjoy the show.](#)

Applying for a Position

Please use the online form at the bottom of our website's volunteer page. Depending on the position, there may be a delay in the selection of candidates for a particular position. Shifts will be discussed with you closer to the event.

We look forward to seeing you at Wasteland Weekend 2012!

Thank you,
Wasteland Weekend Staff
